

SWORDMAN KITALA

Swordman Kitala is a very prolific and multi talented MC from Gabagaza, Uganda. He started to sing as a youngster at school, which led him to learn about hip hop and started to develop his own technique.

Going from hip hop, dancehall, reggae, bass music and more, mixed with the Ugandan music and culture, gives him a very unique style and flow to create and perform some heavy bangers.

He has evolved into more genders, performed and collaborated with artists from around the globe. O'Flynn, Tom Blip, Still, Moganjah, Soft-Bodied Humans, K-lone, Slikback, Pambulo, are just some of them. He has diversified his musical spectrum and has been recognized as a highly skilled musician.

He has been working with Makabila Umoja since the beginning, making a strong connection and friendship that keeps flowing and giving great results.
